“School Board Policy 6610 includes a seven-year curriculum cycle that details the selection and purchase of updated curriculum materials in Phase 3 of the seven-year cycle. To be responsive to the continuously changing global community and academic expectations and standards, it is essential that the curriculum cycle is reviewed regularly. When necessary, updates to this cycle are brought to the School Board for approval to ensure the immediate needs of students and teachers alike are addressed through this process.

At the January 22, 2019, school board meeting a board member requested that a revision of policy 6610 be made to include guidance for instructional staff on the implementation of new curriculum and instructional materials. The statement below is included in the policy revision:

Upon adoption, curriculum and instruction materials must be implemented by the instructional staff.

The revisions to the seven-year cycle in Policy 6610 are based on updating career and technical education, physical education and fine arts course placement in the curriculum development cycle. These changes will not have an impact on the annual set-aside for curriculum purchases.

Administration recommends that the Board of Education approve the revised Kenosha Unified School District Policy 6610—Procedures for Selecting and Using Supplementary Instructional Materials—as a first reading on July 23, 2019, and a second reading on August 27, 2019.”

The SWSA serves over 30 urban and suburban school districts with a combined enrollment of more than 220,000 students.

The mission of the Southeastern Wisconsin Schools Alliance is to advocate for the benefit of all students by driving education policies supporting strong public schools to ensure world-class practices, economic vitality, and community well-being.

The SWSA meets at least once a month and the annual membership fee is \$3,200.
