a non-resident district may continue to apply for immediate admittance to a non-resident district if he/she meets one of the criteria as noted by the Alternative Open Enrollment Application process only if the board did not limit spaces for that applicable grade level.

At the January 24, 2023, Board of Education Regular Meeting the Kenosha Unified School Board formally affirmed the availability of spaces for both general and special education students seeking entrance into the Kenosha Unified School District under the Open Enrollment Statute for School Year 2023-24. The School Board affirmed the availability of a total 185 spaces, 19 of which were designated for selected special education programs/services.

After receiving applications from the state's Open Enrollment Applications Log (OPAL) the Offices of Educational Accountability, School Leadership, Special Education/Student Support and Early Childhood conferred to match available District spaces to the application pool of requests made by candidates seeking entrance into KUSD.

Additionally, guidelines concerning student enrollment preferences and sibling preferences were also revisited. With the close of this year's open enrollment application window by DPI on April 28, 2023, all students in the OPAL system were listed on a master roster in alphabetical order. Each student was then assigned an applicant sequence number with the first person listed on the roster being tagged as number one and the remaining students who were on the OPAL listing were also assigned a sequence number.

As allowed by Wisconsin statute and Board policy, preference was given to students currently attending Kenosha Unified and their siblings. Each student was provided a lottery ranking even though a student's denial may have been recommended in the application review process. This is done because some special education or expulsion records may not have been received from the resident district at the time of the selection process. A lottery ranking selection process was conducted separately for each grade. If there are more applicants than spaces available at a given grade then lottery rank is used to select which student gets their preference. School placements are also made on a random basis when no school preference or restriction is indicated on the OPAL application.

Mrs. Modder moved to approve applicants identified as numbers: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 66, 67, 68, 69, 70, 71, 72, 73, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, due to available space at the grade level, school requested and special education or related services required by the IEP and deny applicants identified as numbers: 11, 29, 42, 74 due to one of the following reasons: overcapacity at the grade level, special education related services required by the IEP, limitation of school requested, age ineligibility, habitual truancy, or expulsion in the current or preceding two years. Ms. Stevens seconded the motion. Unanimously approved.
